Blood Bank at Legion July 15th

To the American Legion Hall on Wednesday, July 15th, at 12 Noon, so please, you great Blood Donors, mark your calendars now, so that again, we may start off the new fiscal year of Red Cross, with the first Blood Bank of fiscal 1982, as a large Bank!

1981 was the anniversary of One Hundred Years of Service to the American People by Red Cross, and this July 15th Bank will be the first one in Crawford County of the next "Hundred Years of

Remember, Dial-A-Ride will gladly pick you up - free - and take you to the Blood Bank to donate, and return you to your home without charge. Just call 348-5409.

Your record for giving that very precious personal gift to help save ones life for the 1981 fiscal year ending June 30th was a proud one - 727 of you wonderful Donors came to give a pint of your Blood. some only once, a few six times, the maximum!

That is one donor for every thirteen residents of Crawford County in a year. That's being truly Good Neighbors.

Let's start off the new 1982 Blood Bank year with as good or better a record! Don't forget! The American Legion Hall, Wednesday. July 15th, from Noon until 6 PM!

Study Minnow Population at L.M.

State conservation authorities are studying the minnow population of Lake Margrethe to determine whether large-scale harvesting by professional bait retailers should be banned, members of the Lake Property Owners' Association learned at their latest meeting July 4th.

DNR Conservation Officer Mark Lutz told the group a decision already had been made to prohibit bulk minnow harvesting at K.P. Lake to prevent excessive depletion. The announcement was welcomed by Lake Margrethe owners, many of whom have charged that present harvesting practices by licensed bait dealers would seriously reduce the natural fish population.

The group praised the success of Col. Jack R. Lippert, Camp Grayling commander, in maintaining strict flying discipline during current military training exercises, which has steered low-flying helicopters away from residential areas.

Three of the nine seats on the Association's board were filled at the annual election. Clyde McQueen and Lawrence Partridge were elected to their first three-year terms on the board, and incumbent Rex Moulton was re-elected. Directors will meet later to choose officers for the 1981-82 year.

Mrs. Mary Harland, county commissioner, and Deputy Sheriff Paul Smith, marine patrol administator, responded to member queries about public rights of way and law enforcement.

New Fees for Birth-Death Certificates

The new State Law now gives County Boards of Commissioners the authority to set the fee's for vital record copies.

Most Counties are trying to stay uniform on these fees. The Crawford County Board of Commissioners has set these fees on 6/25/81 as follows:

One Certified copy of Birth or Death certificate \$5.00; Additional copies of same record at same time \$2.00 each.

Leo E. Lovely, Crawford County Clerk

Accidents-Larcenies Mar Fourth of July Here

By Jon Thompson

marred the Fourth of July celebration in Grayling last Satur-

In the first accident, at 1:39 p.m., Bruce Dean, 14, riding a sometime on Sunday, July 5. bicycle, collided with a vehicle driven by a 72-year-old Grayling man at the intersection of vehicle parts. Michigan and Peninsular near the United States Post Office.

According to Crawford County Sheriff deputies, the bicyclist and driver of the automobile apparently did not see each

other. No citations were issued. Dean was taken to Grayling Mercy Hospital, treated, and released.

The second accident occurred at 3:22 p.m. on M-93 south of Old Lake Road. The bicyclist was taken to Mercy Hospital and treated for shoulder and leg injuries according to Crawford Chevy Blazer was put on County Sheriff Joe White. The bicyclist was later released.

The names of the bicylist and driver of the automobile are not being released pending investigation.

Nine archery bows valued at \$1600 led the list of reported larcenies last week.

Skip's Sport Shop, on West M-72. reported nine bows missing after Grayling City Police and Crawford County Sheriff deputies answered a breaking and entering call at 6 a.m. Sunday, July 5. Four of the bows taken were left-handed models. The Sheriff Department has a description of all of the bows and persons having information of anyone attempting to sell new bows should contact the Sheriff Department.

More than \$300 in camping

> Other larcenies included a boat, gasoline, and motor

> Several vehicles parked at Steward Sandwiches had gasoline removed Thursday, July 2, and a 14-foot aluminum canoe was reported taken from Harry Wingarden, Tuesday, June 30. Wingarden reported the canoe missing from his yard along M-18 in South Branch Township.

> Tires and wheels were reported taken from Thomas Bourrie, at M-72 East and Wakeley Bridge Road. Bourrie reported sometime around 4:30 a.m. Tuesday, June 30, his 1979 wooden blocks and his tires and wheels, valued at \$800, were

In other police news, two minor accidents occurred Friday and Sunday.

Friday, a motorcycle driven by Robert Bono, 23, of Westland, fell on a curve on Manistee River Road three miles south of County Road 612. Bono was taken to Mercy Hospital for treatment and

On Sunday, a Madison Heights couple. Daniel and Cindy Smith, received minor injuries when their vehicle went off the road and lost control on I-75 near Frederic.

Property destruction of about \$100 was reported at Hanson Hills on the Fourth of July. A gate at the ski park was cut in several places.

A near drowning was also reported on the Fourth of July at Jones Lake. A 24-year-old of the lake but several persons Home Delivered Meals. on shore spotted him and helped

bring him to shore. Sheriff deputies also helped Camp Grayling Military Police handle an alleged sexual assault near Lake Margrethe. No other details are being released at this time.

Citizens Can't Agree on Millage Plan By Joe Schrader

The 12-member committee formed after a citizen's forum which discussed school financial problems will not make a clearly-defined recommendation to the Board of Education concerning a possible

The group met in lengthy session last Tuesday night, one representative from each of twelve citizen groups, and agreed that the range of suggestions was too wide and varied to arrive at a concrete proposal to offer. The only unanimous conclusion reached by the groups was the opinion that another millage election should be authorized.

school millage proposal.

Thus the Board will hear a report from Chairperson Wayne Hindmarsh at a Public Hearing July 9, followed by another July 13, before meeting to plot a course of action on the financial blues faced by the district next year. The Board meeting will follow the second public hearing on the 13th.

Two new members will be seated July 13 - Roger Moshier and William Morford, both elected to four-year terms June 8.

The Board of Education will also hear a recommendation from Supt. Dr. Bill Diedrich, reported to contain specific suggestions on a

103rd YEAR * * * NO. 28-PHONE 348-6811

path of action for the Board to follow.

Hindmarsh indicated it was obvious that citizens had "worked very hard" at trying to arrive at a millage proposal. "The consensus was, though, that it would be unfair to give the Board only one recommendation," he said.

Instead the Board will receive a copy of each of 12 reports, containing recommendations as they came out of committee. They follow here (condensed in some instances because of space considerations):

Group 1-1) That there be one request by the Board of Education for additional operating millage for 1981-82 school budget. 2) That 2.0 mills is not considered our unrealistic figure for said millage increase. 3) That the board use priority rating of program/service reduction as a basis for determining how the money is to be spent and on what program and/or service. 4) That some (?) form of community task force or forum be formed to monitor how or if these recommendations are followed. This would be for the purpose of insuring communication between Board and community with an eye toward seeing how the Board responds to community input or recommendation.

It was the opinion of the group that in view of the prior millage

vote, that the community sees a need for education but that for certain programs would like to have the Board or Administration account for cost, usefulness, results, etc. It was further expressed that such accountability is the responsibility of the Board/Administration and that there may have been a lack of this in the past.

Other recommendations were that there may be other areas in which we can save money, but that because of time and insufficient data, couldn't be fully examined and therefore we felt that this or some other forum be charged with further looking into areas of reduction.

(Submitted by Craig Hexham, Group 1 spokesman). Group 2 - All wanted the millage and also that a choice of 5.7 mills should again be presented with two choices - 3.7 or 4.7 mills.** (Submitted by Marilyn Stancil)

Group 3 - We feel that we want to stay with the 5.7 mills that was voted on before, and to only have one more vote. (Submitted by Laura

Group 4 - Offer the 5.7 mills and/or offer 3.4 mills as an alternative.

Canoe Race Kicks Off Annual Willtown Festival

The last week in July marks the beginning of a week-long celebration thats fast becoming the highlight of the summer in northern Michigan. Grayling's annual Milltown Festival recalls the areas history with events for the whole family.

The kickoff of Milltown Week is Friday night July 24th when canoe racers from across the nation and around the world

Expect Funds for Agency on Aging

Region IX Area Agency on Aging estimates that an anticipated \$518,125.00 of federal and state funds will be available for fiscal year 1981-82. These funds will be subcontracted to organizations within Alcona, Alpena, Cheboygan, Crawford, Montmorency, Oscoda, Otsego and Presque Isle Counties for nutri-

tion and social services. Expected categories to be funded through an open competitive bidding process include: Homemaker, Transpor-Information tation, Referral, Senior Center Staffing, Congregate Nutrition, and

Organizations interested in applying must submit a letter of intent by July 14, 1981, stating services to be applied for and estimated dollar amounts. Upon receipt of the letter of intent, the Area Agency on Aging will send R.F.P. information.

annual world championship AuSable Canoe Marathon. Leaving Grayling at 9:00 p.m. the pro racers will generally conclude the 240 mile trip in just over thirteen hours, on the shores of Lake Huron at Oscoda.

Grayling Milltown Festival commemorates the city's lumbering days and the week long celebration attempts to return the spectator and participant, alike, to those days when the virgin timber that helped to build Michigan and the nation, jammed the AuSable and Manistee Rivers, in an attempt to recapture those days gone by, the Milltown Festival was born.

Lumbering contests, a polish beer tent (complete with polka band), and an old fashioned street dance are just a few of the events that will return you to a time long past.

In addition, other events, more modern in nature, will entertain the entire family. In-

Masons to Host Sojourns

Masonic Temple 356 will be host to the Sojourns on Sunday, July 12th at 6:00 p.m. at the Masonic Hall. There will be a brief program and refreshments will be served. All are welcome.

gather to compete in the 34th cluded are a 4-H celebrity auction and achievement days, a large carnival thats always enjoyed by young and old alike, and one of northern Michigans largest arts & crafts shows. Other events and attractions too numerous to mention make Grayling's 1981 Milltown Festival a summer happening you won't want to miss. For more information and a complete schedule of events, call or write the Grayling Regional Chamber of Commerce at P.O. Box 406, Grayling, Mich. 49738.

Warning

Weapons firing will be going on in the following range areas: The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek.

The Mortar Range located south of Main Post, bounded on the west by Cadillac Rd and on the east by Carrier Rd.

west of Damon Truck Trail. The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed Individuals whose license during the period 12-18 July 81 and all persons are warned to stay out of the areas identified.

Canadian Militia **Bagpipers to Visit** Northern Mich.

For centuries the cry of the bagpipes have signalled the arrival of the Scots.

This year the tradition will continue with the marching/ concert bagpipers that are part of the London and Windsor Militia Districts of Ontario, Canada. The musicians will be arriving at Michigan Army National Guard Training site with their parent units August 23rd and remain in Northern Michigan until Sept. 2nd.

Both bands have announced that they will be available for appearance during their twoweek stay in the area and will participate in either marching events, such as parades or will provide the pipes in concert at the request of local officials. Anyone wishing to have the pipers in their community are asked to contact: Camp Commander, MI ARNG Training Site, Camp Grayling, Grayling, Mich. 49738. Request should be submitted as quickly as possible since they will be honored on a first received first honored basis.

Col JR Lippert, Commander of the Camp, has pointed out that for many of the communities the availability of authentic bagpipe bands for concerts or parades has often involved financial hurdles that just could not be met. But here is an opportunity for these exciting band organizations to perform in the towns and communities in Northern Michigan at no charge.

Invited To Ladies Luncheon

The Ladies of Grayling are cordially invited to attend the Annual Luncheon sponsored by the Michigan National Guard Officers' Wives at Camp Grayling Officers' Club on Tuesday, July 14th.

Social time will be 11:30 a.m. and luncheon at 12 Noon. A wine-tasting program will be presented.

To assist in planning, please RSVP by phoning 348-9033 by Monday, July 13th.

Russell Vallad, 77 Dies Monday

Russell H. Vallad, 77, died Monday, July 6, 1981 in Gaylord. Funeral services will be held 1:00 p.m. Thursday at Michelson Memorial United Methodist Church. Friends may call at Sorenson Funeral Home. A full obituary will appear in next week's Avalanche.

Branch Offices to Close Fri., July 10

All Secretary of State branch offices will be closed Friday, July 10, Secretary of State Richard H. Austin announced

Governor's directive furloughing all state employees without pay for six days throughout the year. Branch offices with normal Saturday hours will be open Saturday, July 11.

plates or drivers license expires on July 10 should renew prior to that day, Austin said.

Miss Grayling In Final Six at Cherry Festival

Miss Grayling for 1981 will be among the final six contestants for this weekend's National Cherry Festival Queen's Pageant in Traverse City.

Eighteen year old Connie Keene, a 1981 graduate of Grayling High School was chosen to be among the final six contestants from a field of 21 young women from Traverse City and many other Northern Michigan Communities.

This year's successor to the Crown currently held by Miss Susan Smith will be chosen this Friday Night at 8:30 p.m. at the Queen's Coronation Ball.

The blonde, brown eyed, Miss Connie Keene who was elected to represent the Community at the Miss Grayling Pageant held last winter during the Winter Sports Carnival, expressed a great deal of excitement at being chosen one of the finalists and added she was "very surprised". Should she be elected to serve as National Cherry Queen she would receive \$1,000.00 Scholarship to the college of her choice and many other gifts. In addition, she would make many public appearances throughout Michigan and several other states.

Friday Night Miss Keene, the daughter of Mr. and Mrs. Robert Keene of rural Frederic, will be judged on intelligence, personality, poise, beauty and ability to express herself. And on Saturday she will ride in the Cherry Royale Parade that wraps up the 1981 National Cherry Festival.

Apply Now For Forestry Improvement Funds

by Thomas Bluhm, Director Crawford-Roscommon County ASCS

Landowners in Crawford and Roscommon counties with idle land or existing stands of Northern hardwoods should consider improving their forest resources with the technical and financial assistance available through the Forestry Incentives Program (FIP). As administered by the local office of the Agricultural Stabilization and Conservation Service (ASCS), the FIP program is intended to improve existing woodlots and plant additional acreage to red pine, white pine, white spruce and Norway spruce. Many experts foresee a coming shortage of softwoods and quality hardwoods and the FIP program is designed to encourage better usage of forestland owned by private citizens. Tree planting and timherstand improvemen measures on private land especially important because some 58% of all harvestab forests are presently owned by individuals and with prope management, this land can produce far more forest product

Lovells Riverside Leads Otsego Co. Softball League

Last April, the Otsego County Park and Recreation Commission held a special meeting to decide if Levells Riverside could play in the Gaylord Softball League.

That decision went Lovells' way and so have all the ballgames. Lovells is 14-0 and leads the league.

In their most recent outing, Lovells defeated Borowiak Farms 18-0 and in the second game, defeated the "toast of the town", Der Bier Garten, 12-7 in a close contest.

Lovells roster is comprised of Crawford County ballplayers and stays away from the tradition of picking up "ringers" to improve their ball-

Bits O'Talk

By Fay Bovee

Mrs. Larry Green (nee Laurie Kneff), Leanna 5, and Lanny 3, have been visiting her parents, Mr. and Mrs. Roger Kneff. Laurie and family and Mrs. Kneff spent a month at Vandenberg AF Base in California visiting Lt. Larry Green. David Kneff of Tulsa, Oklahoma, has been visiting his folks, also. Mr. and Mrs. Jerry Popenhagen (nee Lynn Kneff), Shana and Lisa, of Owosso, Oklahoma, spent a week at her parent's home. They came for Roger's retirement party at Camp Grayling.

The Andrew F. Wilsons of Detroit are welcoming family members to an informal "reunion" at their Lake Margrethe cottage this week. Those assembled include Michael and Sheila Wilson of Westbury, L.I., N.Y. and their daughter, Jennifer Margrethe, 1; John and Kathleen Wilson of Canton, Mich. and their children, Michelle, 7, Paul, 5, and Marie, 3; James Axel Wilson of Juneau, Alaska, and his guest, Patricia Cooke of Grand Ledge. Mich. and Robert and Jeanne Wilson of Redford Township.

Mr. and Mrs. Mike Fallon and family of Rudyard are spending the summer here at their home. The Fallons visited in Florida for four days before coming back to Grayling. Louella is working at the Golden Touch again for the summer months.

Another new employee at the Golden Touch is Gail Swope who comes to Grayling from Ypsilanti with nine years of experience.

Dr. and Mrs. William Gould of Montgomery, Alabama, are visiting his mother, Mrs. Lora Gould, of Grayling and her parents, Mr. and Mrs. Jack Welch, of Mt. Pleasant. They arrived June 20 and are leaving July 15. Bill also attended a medical meeting at Shanty Creek which was sponsored by the U of M.

Mr. and Mrs. Richard Gould of Grand Rapids and a group of friends visited Rick's mother and enjoyed a canoe trip down

Guests of the Tom Evans were their daughter and husband, Don and Barbara Lauer of Ft. Wayne, Indiana. Mrs. Anne Day of Lansing has been visiting her parents, then went to Ft. Wayne for a short time, and returned to Grayling for a longer stay.

Mr. and Mrs. Art Thayer were in attendance at the Republican State Committee meeting at L. Superior State College recently. They have also attended the Fleet Reserve Association meeting in Cheboygan and spent a Sunday afternoon aboard the Icebreaker Mackinaw, cruising the straits area under the bridge and around Mackinac Island.

Mr. and Mrs. Tom Brady vacationed for five weeks, most of it spent in Montana where they went to St. Ignatius to visit

Tom's brother, Don Brady, and his sister, Mrs. Coralie Allison. In Great Falls they visited another sister and husband. Norman and Shirley Bond. They went to Havre to visit friends and to surprise an old friend, Elmer Casady, at his surprise retirement party. On their return they stopped in Grand Marais, Minnesota, where they spent three days renewing old acquaintances and stayed with Mr. and Mrs.

Pappy Wright. Tom Brady, Walt Layman, and two other friends spent twelve days in Nipigon country in Canada where they went to do some fishing. A couple of them had an icy dunk in the

Grace Andres of Grand Haven is visiting with Ellen Gierke for a couple of weeks.

Guests of Mr. and Mrs. John LaMotte last week, June 24th. were Mr. and Mrs. Fay Sorenson and daughter from Florida. Fay is Mrs. LaMotte's nephew. They all enjoyed the evening by dining at the Holiday Inn. Also Mr. and Mrs. George Denmau and their son and granddaughters of Holly, Michigan were their guests for dinner.

Mr. and Mrs. Elton Jehn and family of Columbus, Ohio, were guests over the 4th of Mr. and Mrs. John LaMotte. Elton is a nephew of Mrs. LaMotte.

Mrs. Jim Bedard & children spent 2 weeks recently visiting her parents, Mr. and Mrs. Perry Wells while her husband was attending G.C.S. School in Fort McCoy, Wis. The first week Beth & Andrea spent a week in Cedarville with their grandpa Perry, fishing. Vicki & son Nicholas stayed with her mom during that time.

of Montrose celebrated their only five percent of that figure. 25th Wedding Anniversary with a party at their Grayling home on Saturday evening, June 27. The hosts were their children, Ellen and Jon Thompson, Cindy and Herby Olson, Marty and Janna O'Mara, Bill and Sue O'Mara, Jr., John O'Mara, and Dennis O'Mara.

'Among the out of town guests were her parents, Mr. and Mrs. Clifford Wallace and his mother, Isabel O'Mara all of Carsonville, Michigan.

Coffee Bath

Soaking in 13 tons of steamy, soggy ground coffee is billed as "an antidote for almost anything" at a health spa outside Tokyo, the National Geographic reports. The 140° F temperature in the pool-size percolators is barely tolerable to patrons buried up to their chins in

Welfare Protesters Rally At Capitol

By State Rep. Ralph Ostling In the early fall the House and Senate will be fine-tuning the budget to assure that at the end of the fiscal year our books are balanced.

As part of that effort an appropriations subcommittee last week cleared legislation containing \$41 million in mandatory "lapses" - money budgeted that must be returned to the state's general fund. This lapse plan must still be approved by the Appropriations Committees in the House and Senate before it comes before the Legislature.

The Department of Social Services will feel the largest budget drain through lapses-\$13 million, as grant levels for general assistance and Aid to Families with Dependent Children were cut five percent in the past two months.

Last week a group of about 150 people rallied on the steps of the State Capitol to protest the welfare cuts. And while the Democratic chairman of the Appropriations social services subcommittee told the group that the cuts can be restored in August, Governor Milliken told leaders of the rally that the state's critical money woes

have forced cutbacks every-

where and he cannot promise the funds will be restored. Over the past year, state welfare payments have been cut 10 percent, and the group in Lansing demanded that these cuts be restored. Many Democrats offered their support to the

group urging them to continue to fight the cuts. But the fact remains that even with the reduced payments, Michigan still ranks higher than surrounding states in welfare benefits. Of course the entire \$41

million lapse will not come from Mr. and Mrs. William O'Mara welfare alone. It accounts for The remainder would come from such areas as administration and project accounts, \$2.7 million; various grants for such things as day care, \$800.00; Title XX programs for spouse abuse and community centers. because \$2 million in federal funds will be available: Medicaid, because of \$1.5 million in higher federal matching funds in some programs; and nursing homes, where interim payments will be reconciled with actual obligations earlier than usual. for \$2.5 million.

In the past, several of my colleagues and I have made attempts to bring Michigan's welfare payments in line with surrounding states. Up to this point those efforts have failed. but we have been able to reduce welfare in other areas, for instance in requiring able bodied

people to work. These are difficult times for all the citizens of this state, and we must cut out waste in every corner so that the most essential services and programs survive.

Other departments which are required to return money to the state under the lapse plan include the Department of Public Health, \$4 million; the Department of Mental Health, \$3.5 million; the Department of State Police, \$3 million; the Department of Corrections, \$2 million; the Department of Agriculture \$1 million; the Department of Management and Budget, \$1.75 million; and the Department of Natural Resources, \$2 million, among

Hospital News

The following were among those admitted to Mercy Hospital during the past week:

Sean Casey, JoAnn Methner, Juanita Smith, Lawrence Balch, Walter Post, and Lillian Bretzlaff all of Grayling; Rose Taylor of Frederic; Jack Eckerly, Bradley Baerlocher. Robert Dewitt, Michael Lynn, and Beulah Clute all of Roscommon.

Those discharged were: Lorrie Pelka, Joyce Fox, Sean Casey, Sarah Robinson and baby, Penny Sheldon and baby, Luella Mullins, Stanley Owens, JoAnn Methner, Irene Burdeau and Mary Houle all of Grayling; Rose Taylor and baby of Frederic; Vicky Rodgers, Jack Eckerly, Bradley Baerlocher, Michael Lynn and Robert Dewitt all of Roscommon.

Alvin and Sarah Robinson of Kalkaska are the proud parents of a baby girl, Sandra, born June 28, 1981.

Jonus and Penny Sheldon of Grayling announce the birth of a baby boy, Joshua, born June

Thomas and Rose Marie Tavlor of Frederic are the parents of a baby girl. Jessica Marie was born June 30, 1981, weighing 7 lbs. 5 ozs.

The strength of a country is the strength of its religious convictions.

Grayling, Michigan-Thursday, July 9, 1981

From Our Corner ...

July 4th, 1981, was a funny one as far as the weather was concerned...in the morning it was beautiful out as the people lined Michigan Avenue on both sides in the parade route to watch the kickoff of the days activities that moved to the city park for the games for the younger people and the famous kielbasa tent that the Booster Club sponsors...

It was beautiful weather until the middle of the afternoon when a cloud burst hit Grayling and put a damper of the activities going on and driving people to their homes...it cleared up in late afternoon, and some of the functions continued...

That's not all...in the evening a dense fog set in and nearly ruined the fireworks display...but everything went off as scheduled...and the day was considered a success...

Ironically...we had met R.J. while taking in the sites at the city park, and he told me if we didn't write spent the past week in anything about him for a while he would take the bride and me for a tour of Lake Margrethe right then...we couldn't resist so we made the promise, and the three of us headed for the lake...it was beautiful out there and the pontoon ride was just what the doctor ordered, a refreshing cool breeze all the time...what was ironic...it only sprinkled a couple times, and that was the extent of the rain that hit Grayling about the same time...

The problem with the 4th of July is that it leaves only one more holiday, Labor Day, until Thanksgiving...and everyone here knows that means snow...

We received a phone call from a lady last week with a suggestion to help the Beautification of Grayling along with keeping the sidewalks clean, yards moved and kept neat...her suggestion was making sure that people who put up "yard sale" and "garage sale" signs take them down instead of leaving them hang on trees and telephone posts until the weather takes it toll...she mentioned she had seen most of these signs along Michigan Ave., one of the most heavily travelled streets in Grayling...it is a good suggestion...now we will see if people adhere to it...

We don't have anything to report on the overhauling of the USS ZEBRA since it has been in dry dock...Irv McIsaac, Deck Hand has been to busy the last couple weeks working on the Booster Clubs sponsored 4th of July and Captain McNamara with company home for the holiday weekend really didn't have time to lay out anything on the tressel board until equipment arrives for the expansion of the galley and head...we will attempt to keep the group who purchased the tickets for the Marlin-Shark fishing trip informed as new things happen on the USS ZEBRA, hopefully it won't be too long...

With that little bit of information we are going to close our corner tonight, tis a bit hot in the salt mine, so we're going to head for the back yard...goodnight T.J., Stef and Amber...and to all our readers, have a nice weekend...

Interesting Events In **Grayling 23 Years Ago**

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago July 10, 1958

Mr. and Mrs. Ronald Larson are the parents of a 7 lb. 15 oz. daughter, Vicki Lynn, who was born July 1st. Her grandparents are Mr. and Mrs. Ernest Larson and Mr. and Mrs. Bert Plagens.

Mr. and Mrs. James Laurant are the parents of a daughter, Jean Marie, who was born July 6th weighing 6 lbs. 8 oz. Mr. and Mrs. Floyd SanCartier and William Laurant are the baby's grandparents.

Molly Ann Peterson celebrated her seventh birthday, July 2nd, by inviting ten of her little friends to her home on the AuSable River. Everyone had a good time playing games, dancing to the record player and enjoying the birthday cake and ice cream.

Miss Marcia Sorenson was 12 years old June 28, and her mother Mrs. A.J. Sorenson, invited in 7 of Marcia's friends for an afternoon of games.

Mr. and Mrs. Robert Bovee and children Billie Fay and Dena Kay spent Wednesday last in Mt. Pleasant.

Mr. and Mrs. Svend Madsen, son Brooks and daughters Linda and Kay were in Grayling Sunday visiting Mr. and Mrs. Whitey Madsen and family. They brought Bill Heath home after he had Gaylord as a guest of Brooks. Toni and Dane Madsen returned Gaylord with them Sunday evening to spend this week with them.

Eddie Robertson returned Saturday from spendig a week at Camp Knight.

Jan, Gretchen and Candy Henig took the Timberliner to Detroit and are visiting their grandparents, Mr. and Mrs. C.W. Henig for several days.

Mr. and Mrs. Don Wood celebrated their 35th wedding anniversary, which is July 3rd, with a two-day vacation at Blaney Park in the U.P. Their daughter and family, Mr. and Mrs. Raymond Elsey and children of Detroit, took care of the drug store in their absence, and remained for the weekend.

Mr. and Mrs. Donald Jansen and children left Sunday for a week's vacation at Indian Lake, near Manistique.

Dr. and Mrs. Alfred Hanson and three children of Buchanan spent the holiday weekend with his sister and family, Mr. and Mrs. Gordon Thompson.

Sunday guests at the Les Welch's at Lake Margrethe were Mr. and Mrs. Leo Baird and family of Mt. Pleasant.

Stillwagon, Mickey Johnny Cook and Bill Joseph left Sunday for two weeks at Camp Daggett on Walloon Lake.

Mr. and Mrs. Harry Goodhue, daughter Caro! and friend Sam Wilson of Birmingham left Sunday after spending the week at their new home on the AuSable River.

46 Years Ago

July 11, 1935 Bill Joseph left Sunday for Camp Daggett where he will assist in the instructing at the camp for a couple of weeks.

Mr. and Mrs. Richard Lovely have been receiving felicitations on the birth of a daughter, Jean Marie, at

Mercy Hospital Tuesday. Mr. and Mrs. Harry McEvers and son Derek, accompanied by Mrs. McEver's mother, Mrs. George Worthey and sister Margaret of Horseshoe Lake, drove to Chebovgan and Petoskey Tuesday

where they spent the day. In honor of the birthday of Mrs. Earl Broadbent, a host of friends gathered at

The Bible Speaks From Calvary Baptist Church

Nature Reveals God Remans 1:19-20

God has revealed His power and deity to every human being upon the earth through observation of His creation. "Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse."

Romans 1:19-20. As we look at the order and wisdom involved in the construction and operation of each component part of the universe we must attribute the original cause of the present effect to a supernatural being of infinite wisdom and sovereign control. As we study in detail the atomic energy measured at something like 500,000,000 volts of electricity per atom, then realize our immediate galazy contains more measurable energy than our most brilliant minds could grasp, and finally, realize there

"Our ciqims service is fast, fair and nationwide."

"We represent Auto-Owners because of the fast, efficient service they give our customers.

"A lot of people are surprised to find our claims people bring their checkbooks with them . so they can pay a claim right on the spot.'

Auto-Owners Insurance is for auto owners, too.

The Grayling

Insurance Agency Life-Home-Business-Car

120 Michigan Avenue

Grayling, Michigan Phone 348-2929

are millions of galazies beyond

our visible eyes with new ones being discovered continously. The more details we learn about our world, the more we learn about God's wisdom, power and

sovereignty. Evolutionists are "the last days scoffers" of 2 Peter 3:3. "for this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water." 2 Peter 3:5. Evolutionists are religious Secular Liberals and

Humanists who deny that the universe material originally created by the spoken "Word of God". Evolution is a theory of unbelief denying the person, power and precepts of a sovereign God. For a person to deny the Word of God in creation or in the Bible either one is the grave sin of unbelief in God and His Word. Such unbelief leaves one without excuse under the wrath of a Holv. Sovereign God. Unbelief is a willing ignoran-

ce. Any reasonable person can look at the universe and realize there must be some higher intelligence and power behind it. So also, the Bible is a book of books which by the fulfillment of it's own prophecies and the history of it's Old Testament people, the Jews, and it's attestation by our Lord Jesus Christ in person, leaves no room for the reasonable, logical mind for doubt or disbelief.

Evolutionists. Religious Liberals and Secular Humanists are willingly ignorant of their own creation; they are willing ignorant of their own condemnation; and they are willing ignorant of God's Wrath which shall torture them in the flames of eternal Hell forever and forever. My friend, be not deceived by willing ignorance when you can simply believe God's Word and be saved for all eternity. (adv.) Pastor Barnett

Roscommon **Arts Festival**

This Saturday auxiliary wish to express their Festival: A program of culappreciation to all of the people tural events or entertainment; that helped to make the Radio gaiety, convivality. Auction a success. The following food and beverage

Webster's definition festival accurately describes the 1st annual Roscommon Arts Festival to be held this Saturday, July 11, throughout the village of Roscommon. The gaiety begins at 9:30 a.m.

in Wallace Park with a juried Art Show. Thirty-three artists will be exhibiting watercolor, acyrlic and oil paintings, drawings, pottery, sculptures in clay, bronze, alabaster and plaster, hand made jewelry, stained glass, and photography. These artists are competing for prizes to be awarded at noon in the center of the park. Judging will be done that morning by an out-of-town museum director.

The sidewalks leading from the park throughout town will be dotted with more artists and craftsmen selling handcrafted items of all kinds. Paintings, photographs, quilted items, wood items, dolls and hand-tiedflies, will be some of the items available.

Entertainment by the Higgins Lake players will be featured in Wallace Park from 1 to 2 p.m. Presented will be selections from last summer's production of "Another Opening" which features music of the 20's, 30's, 50's and 70's, and snatches from radio shows of those decades.

Children will find delight in a paint corner set up for them in the park. Paints, brushes, easels and paper will be available for young artists to express themselves.

Many community organizations are contributing to the days events in many ways. Mid-Michigan writers will have books for sale and prose and poetry readings in front of Ye Old Party Store. Kirtland Garden Club will have plants and floral arrangements in front of Roscommon State Bank, and AAUW will have a Used Book Sale on the lawn of the Middle School. T-shirt Treasures will be selling Roscommon Arts Festival T-Shirts to add to the

Food of all types will be available from the Lion's Club trailer located between the Mail Box and Natural Selections Gallery. The Christian COOP will have a bake sale at Independent Floor Covering, and Circle 13 will feature sweet corn at their booth located in the parking lot of St. Michael's church facing Wallace Park. First Congregational Church will have an Ice Cream and Dessert Social and St. Michael's Church will have a bake sale.

An information booth will be located in front of the Male Box at the stop light and will have maps of events and parking, a schedule of events, and a complete list of all participating artists and crafts persons. There is no admission charge to the

Rep. Ostling **Supports State Tax Cuts**

State Representative Ralph Ostling (R-Roscommon) announced his support today for a Republican proposal for an immediate \$560 million cut in property and business taxes.

Labelled the "20-20-10" plan, It provides a direct 20 percent exemption for alll property in the residential and agricultural classes, allows renters to assume a tax credit equivalent of 20 percent of their rent and cuts the Single Business Tax.

The House Republican legislative proposal determined by a majority caucus vote, provides a \$480 million cut in property tax and an \$80 million cut in the Single Business Tax with no offsetting tax increases. Local units of government would not lose any revenue under the proposal, and all costs of the tax cut would be shouldered by the

According to Ostling, the cut in the business tax gives relief to small, nonprofitable and new business, takes worker and unemployment compensation out of the tax base liability and cuts the rate. It would take ef-

fect in January, 1982. To accomodate the cuts, the Republicans have also proposed cuts to welfare providers and recipients, adult education, mental health and forced government lapses of funds.

"It is a simple, straight-forward, tough, realistic and fair proposal," Ostling said. "It provides real tax relief and will not unfairly reduce essential state programs. For instance, even with a further five percent cut in welfare, our ADC average regular grants would be 18 percent higher than

surrounding midwest states." The proposal is a legislative one, which does not require a public referendum. While it is too late to alter 1981 summer tax bills, a special 20 percent credit would be available on 1981 state income tax returns. The 20 percent exemption would first appear on the winter, 1981 property tax bills.

The proposal also restricts increases in property tax which occur through increased assessments. Local units could not benefit from any increased yield without public notice, a special hearing and a positive vote to levy property tax giving any increased yield over the previous year.

House Call: Wolking

How do you move? Do you shuffle, stroll, limp, mince, march, glide, or roll? Whatever your style of motion, it can be improved upon with one of the best things in life that's free: walking.

Walking is the most universally recommended exercise of them all. It takes no special gear except comfortable shoes (running shoes, preferably) and clothing appropriate to the weather. To start with, it takes only a half-hour three times a week to get you into walking condition.

The good thing about walking is that anyone of any age who can maneuver at all can walk without fear of injury. Since your body doesn't pound the ground on impact, as it does when playing tennis or jogging, there are no problems of pulled muscles or tendonitis. If you believe that you have a health problem, however, be sure to check with your doctor before embarking on a walking pro-

Along with running, swimming, cycling, rope skipping, and cross-country skiing, walking is a good cardiovascular conditioner. It may seem that you're doing only what comes naturally, but after a half-hour walk with regularity you become more fit.

As with any exercise, you should follow the training rules: warm up first, then increase the frequency, the duration, and the pace. Don't over do, and rest when you're tired; but with a regular walking program scheduled for the summer, you can increase your speed and distance without trouble. Perhaps walking won't help

you to live longer; but it will make you feel better, and that's a big plus in everyone's life.

If you're going to walk for exercise, swing your arms, move with vigor, and breathe deeply. Don't stroll, shuffle, limp, mince, march, glide, or roll! Stride! You'll work better. sleep better, and play better, which isn't a bad trio of dividends for having a pleasant time.

Frederic High School Alumni

The Frederic High School Alumni held their banquet at the American Legion in Grayling Saturday evening June 27, 1981. There were 100 graduates and guests attending. Evelena Barber Allen, class of 1927 said grace before we had our meal of baked ham, baked potatoes, peas and carrots, chef's salad with dressing, rolls, butter and beverage which followed happy hour with snacks. A lovely cake with 1922 on it was trimmed in orange and black and was cut by Esther Barber Gibbons, and Leota Welch Harrod both from the class of 1925, and it was served down the tables by Helma

Corsaut Post, class of 1934. Fred Allen, class of 1961, the President thanked everyone for all their help this past year with special thanks to Victor Parsons, class of 1943 for gifts to be given out, and Betty Pratt Sajdak, class of 1953 for having us for all the committee meetings at her home all year.

Grayling Alumni Association had extended an invitation to Frederic Alumni Association to join them this year for their banquet but the membership voted to decline with thanks at this time.

Graduates who do not pay Alumni dues for 3 years will be dropped from the mailing list. Several members wrote letters to their classmates and we were very happy to have some join us and glad to see some attending the dinner this year. We hope to see more of the graduates who are not yet members in 1982.

Helma Post gave a Library Memorial report. "A Field Guide To The Birds" by Roger Tory Peterson has been donated to the Frederic Library for Molly O'Dell Olson, class of 1933. "How To Build a Coin Collection" by Fred Reinfeld for Ethel Barber Fox, class of 1931, and "Chiltons Easy Car Care" 2nd Edition for Jack Feldhauser, class of 1934, have been received and will be placed in the library soon. Floyd Waldie, class of 1939, and Alice Arnold King, class of 1931, are graduates who passed away in 1981.

Margaret Worthey Rogalle, class of 1937 gave a brief Secretary-Treasurer report and thanked each for their support and especially Donald Plagens, class of 1955 for his help with the newsletters the past two years. Election of officers was held

with the following graduates accepting the nominations. Victor Parsons, class of 1943, President; Bessie Feldhauser. class of 1935, Secretary-Treasurer; Committee members Olive O'Dell Kellogg, class of 1929, Elnora Barber Lodge, class of 1937, Helen Kellogg Prouix, class of 1941, Fred Allen, class of 1961 and Janet Johnson Reynolds, class of 1964.

Donald Plagens came from

Westlake, Ohio to be our Master of Ceremonies again this year and had an attentive audience as he related some of the experiences from the "Good Old Days" when you could attend a double feature at the theatre for twenty-five cents, popcorn for five cents, you could pull in to a full service gas station and ask for fifty cents worth of petrol and have your oil checked and the windshield washed. Candy bars and pop were five cents. The boys hair was cut and girls paid to have gray in their hair; now the boys have long hair and the girls no longer have to pay for streaking theirs. A three piece band cost fifteen dollars and cake walks were ten cents; and if you found twenty-five cents in your suit pocket you were thrilled. He told us of customs of yesterday and also family life today. How times do change!

He introduced guest teachers Helen Brooks Madsen and her husband Svend of Gaylord and William Beach and his wife Hazel of Flint that we were very pleased to have with us and talk to again.

Max Tobin, class of 1922 traveled the longest distance to be here from Nokomis, Florida and got a digital clock for being the oldest class member present. Beatrice Wixon Tobin. class of 1927, came with her husband Max from Nokomis and was the recipient of a photo album for distance traveled. Lewis Stillwagon, class of 1936, and Dorothy Richter Stillwagon his wife, class of 1939 were also in attendance from New Port Richey, Florida; and Caroline Post Madill, class of 1944, and her husband Frank attended from Kimberly, Wisconsin and were recognized at this time also. Connie Charron Keeley. class of 1944, won a door prize that had been donated to the Alumni, Elnora Barber Lodge. class of 1937, won a cut glass bud vase, salt and pepper, and candle holders. Elmer Kellogg, class of 1940, was the winner of

holder and carving knife. Graduates and guests enjoyed looking at the class pictures which were on display and reminiscing with schoolmates and guests.

a silver bell lighter. Helen

Kellogg Proulx, class of 1941,

and her husband Alfred won in

the 50-50 drawing. Ila Welch

Hanson, class of 1934 is now the

proud possesser of a roast

Janet Johnson Reynolds, class of 1964, was the youngest member present and was recognized along with the following: Fred Allen and Lynn Charron, class of 1961-20 years; Dawn Hamblin Meabon and Sally Smith Lamm, class of 1956-25 years; Dean Tobin and Dale Allen, class of 1951-30 years; Helen Kellogg Proulx, Guy and Doris Leng Kellogg, his wife and Carl Richter, class of 1941-40 years; Nelson Vollmer and Lewis Stillwagon,

class of 1936-45 years. The class of 1934 was represented by Helma Corsaut Post. Liland Charron, Ila Welch Hanson, and Vance and Erma Barber Horner with only two of their remaining members missing, June Horner Dunckley and Martha Vollmer Bloomfield.

Reservations were in for five of the six members left of the class of 1937; Clyde Lozon, Shirley Corsaut, Elnora Barber Lodge, and Margaret Worthey Rogalle were present but at the last minute Ervin Dunckley had to call that he could not be with us. Dorothea Arndt Shaffer the sixth member who lives in Southgate, California hopes to be with us in 1982.

Dancing topped off the evening with music by the Pittmans and a good time has been reported by all. Reserve an evening for your Banquet in 1982 for another fun filled time. We are expecting Donald Plagens to be our Master of Ceremonies again.

A surprise phone call came from Karl Goshorn, class of 1929, who now lives in Green Valley, Arizona.

As I step down from the office of Secretary-Treasurer I want to thank all who have been such a help during my two years in office, and to the men of the American Legion and Ladies Auxiliary for helping to make our night a pleasant one and especially so under a tremendous handicap this year; and last but not least an extra special thank you to the Crawford County Avalanche which has published our news items for us whenever they received

Legislature To Consider Transportation Tax Package

Warren M. Hoyt, Executive Director, MPA

The legislature will be shooting for year-end approval of a package of bills, being readied for introduction, to restructure and increase transportation taxes.

The legislation will come at a time when falling revenues from the current system of per gallon fuel taxes and weight-based license fees has already forced a few local road agencies to shut down for the summer and for other state and local agencies to institute cuts in service and maintenance.

Representative Mary Brown (D-Kalamazoo), who will sponsor the legislation, said the system needs to be restructured to provide tax revenues based more on the value of fuel because the increase in "the cost of gas and the cost of road construction and maintenance follows closely together."

The current system has not only failed to keep pace with inflation, but has actually taken a dip as fuel consumption falls and vehicles get lighter.

The proposal would change fuel taxes from 11 cents per gallon sale price to 11 percent on the wholesale price—currently about \$1,20 for lead-free gasoline. As the wholesale price of fuel rises, so would the tax revenue as it would be computed on a percentage basis.

A flat \$28 passenger vehicle registration fee would replace the current sliding scale starting at a minimum of \$20. The average license fee is \$26 on a 4,000 pound vehicle. With vehicle weights being reduced as a fuel economy move, state revenues would decline.

Truck licensing fees would be increased by some 30 percent.

And, more general fund money would be used to supplement public transit systems while distributing the funds under a new formula utilizing current allocations as a base

Brown said she hopes for summer-long discussions by interested groups in order to allow for House approval by October. (The Legislature will return to session

PENNZOIL

following a summer recess in mid-September).

Revenue estimates for the package are not readily available, but Brown said the concept of the tax system is more important now than the particular rates of taxation.

"The problem is there and needs to be solved and there are the vehicles. If someone can come up with a better mousetrap, they're welcome, but we need the mousetrap," she said.

Brown added that given the past history of gaining approval on tax measures, the timetable would be very tough to meet, but noted that conditions in the 1982 election year would be worse.

Bill Davis, of the Michigan Municipal League and one of several representatives from local road interests enlisted to help devise a new tax plan, said there is a real need for more dollars.

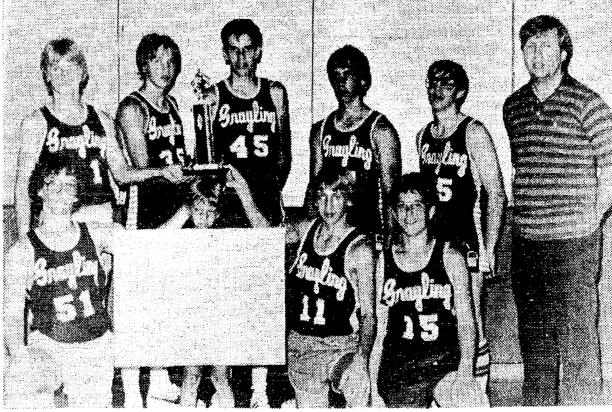

He said it is a problem that every Legislation in the country is facing or will face. He noted that Indiana already has moved to a fuel tax based partly on value and Minnesota has increased its tax to 13 cents per gallon.

Michigan needs to restructure its taxes because "continuing to tax vehicles on weight and tax fuel on gallonage is directly inverse to keeping up with our needs," Davis said.

Transportation Director John Woodford said he is not ready to endorse any plan but added two things need to be addressed—stabilizing revenues and allowing for future growth to deal with inflationary increases.

Woodford said he has not assessed how much money is needed by state and local road agencies. He noted he is only trying to fulfill a responsibility to operate and maintain existing facilities.

He said the reduced revenues have forced the department to eliminate about 350 employees, eliminate the "bare pavement" policy in the winter for all but a few high-traffic roads and eliminate road-

VIKING JV'S COP TROPHY—The Grayling Viking JV basketball team walked off with first place in the boy's summer basketball tournament held in Onaway June 18.

Winning team members include, front row (from left): Terry Heckerthorn, Kris Mills, Mike Hickey, Jeff Branch. Back row (from left): Jim Stewart, Paul Hamlin, Wayne Ross, Barsie Cross, Dave Brooks and Coach Tom Mills.

The team defeated Onaway, 62-33, upended Rudyard, 51-38, and topped Hillman, 70-35 enroute to the top trophy.

"It was an overall excellent defensive effort," said Mills following the team's return to Grayling.

Public Health is a "Good Buy"

Editor's Note: This is the last of a 3 part series on Public

Health. This document touches all aspects of Michigan health care. It deals with state and local public health services, health professions, health care facilities, finance and administration. Cost-sharing is part of this new plan because as state laws require county health departments to provide more and more health services, counties in the past have had to pay the lion's share. Which explains why some counties in Michigan have a broad range of programs

Deans List at Kirtland

Seventy-six students have been named to the Dean's List at Kirtland Community College for the Winter, 1981, semester.
Those included are: Grayling:
James Scott, Rodney Rumohr, Jeffery Anthony, Perry D'Amour, John Aleman, Charles Brightman, Bryan Clay, Scott Garvin, Barbara Kingsbury, Garcett Kokko, Michael Mierzejewski, Robert

Peterson.

To be named to the Dean's List, a student must carry at least 12 credit hours and have a 3.5 (B+) grade point average for the semester.

Moose Card Brings Wallet Home

By Fay Bovee Little did Jeannette Allison

QUAKER STATE,

realize what an adventure her wallet would have when she and Newt and her family went to Bloomington, Indiana, to visit an aunt and uncle, Mr. and Mrs. Lawrence Dennewitt. She and the children went shopping at the K-Mart on Wednesday and with her hands full and the baby in her arms, she put her clutch wallet on top of the car & drove off. They spent a great deal of time sight-seeing around the campus and the city and not until they arrived home did she realize that the wallet was missing. Expecting to start back for Grayling on Thursday morning, they had a late breakfast and a phone call, from her mother, Mrs. David Cook, in Grayling asked if she were missing her wallet. A phone call from Allensville, Indiana, to the Moose Club here in Grayling, which in turn relayed the message to Len Allison, was that a couple had found the wallet. The only means of identifying it were found by the Moose Card showing that Jeannette was a member of the Grayling club. In the meantime Jeannette had cancelled her American Express checks and received new ones and reported her loss to the police.

The ironic part is that the wallet had been found at the intersection of 10th and College Streets in Bloomington, directly in front of the American Express office where Jeannette had redeemed her checks. Driving to Allensville to retrieve the wallet, she found all the money and contents intact. In her haste she completely forgot to get the couple's name, but we know there is one honest couple in Allensville, Indiana. Jeannette turned in her old travelers checks and kept the new ones.

Alcohol Abusers

Studies show that between one-third and one-half of alcohol abusers are women.

and others struggle to provide the bare minimum of services. The code developed a "cost sharing" remedy for this problem. Within five years of passage, the state must provide 50% of the costs of services that departments are required to offer. Under costsharing, counties must continue their current levels of funding, hoping some funds will be freed to improve services, offer new ones, and ease the burden of inflation. Unfortunately, the burden of inflation to the state's budget has considerably altered the dream of cost-sharing. The

this:
• The first year of cost sharing, 1979-80, called for 20% state contribution. This level was met

financial schedule looks like

at \$16.239 million.

• The second year, 1980-81, the projected amount needed for local governments was \$33 million in order to attain the 30% level; only 13% or \$12.2 million was appropriated.

• At the current time, dis-

cussions on the 1981-82 budget show that \$16.835 million is being sought by the legislature. The projected amount needed at the 40% level is 52 million.

Since the 1977-78 cost sharing agreement began, the net gain annually for District No. 1 has only amounted to \$12,000 from state government over a four year period.

Currently, all Health Department offices are now closed every Friday until August 1, 1981 to save staff layoffs.

So it would be obvious to many that public health for many Michigan counties is in dire need and operating on less than projected budgets. Heavy involvement with the state legislature is mandatory for it 's future survival and ability to continue to promote and provide good health status to its' local communities. Public Health is a good buy, it remains cost effective when measured against the millions required for treating community

diseases or community pollu-

> Wendell L. Hoover Park Interpreter

When you deal with people as we do at the Hartwick Pines, things happen which are at times amusing. Several years ago my title was changed from Park Naturalist to Park Interpreter and I was issued a name tag reflecting that change. On this particular day I was in the Contact Station near the entrance to the pienic area waiting for a group to arrive for a guided hike. While waiting, I was behind the counter assisting the Ranger on duty when a gentleman came in to register for camping. As he and

Barbara A. Sojka

I were going through the procedure, I noted his interest in my name tag. Finally curiosity got the better of him and he asked in German if I spoke German. I replied no, so he then asked in French if I spoke that language, and again I replied no. There was a momentary silence. Then he said "well, just what in

?**!?! do you interpret?" My answer to that oft-asked question was and still is that I interpret nature and history to Park visitors. While my duties include many things, the basis is nature and history, whether I am designing or building a display or exhibit, developing or presenting an audio-visual program, laying out the route for a foot trail, developing a self-guiding brochure for a foot trail, or conducting a guided hike through the Virgin Pines. To be perfectly frank, I enjoy my work because of the variety and the pleasure of directing a visitor's attention to something he or she may not have noticed or known before.

You may have walked through the Pines many times, but have you ever taken a guided tour? If not, come walk with me at 2:00 in the afternoon from the Interpretive Center and see the Tall Timber in another way.

Little League All Star **Team Picked**

With the baseball season coming to a close, the Major League Grayling Little League All-Star team has been chosen, with practice starting last week. The members of the team are as follows: Kevin Hudson, Joe LaGrow, Eric Methner, and John Schreiber from Millikins Construction; Scott Schwartz, Don Brooks, Todd Klinger, and Mike McNamara from Mc-Donalds; Jack Millikin, Andy Henion, and Ward Thompson from Grayling State Bank; and John Meagher, Andy Kortes and Allen Morford from Northern National Bank. Alternates are Jeff Palmer from Grayling State Bank, Dave Somerville from Northern National Bank. Coaches of this year's All-Star team are Mike Shearer and Bill Klinger, with assistance from Larry Ostrowski and Mick McNamara.

The Grayling Area Division Tournaments will be held here in Grayling at Millikins Field. beginning with a game between Atlanta and East Jordan on Friday, July 24, 3:30 p.m. Grayling will play the winner of this game on Saturday, July 25, at 3:00 p.m. Jo-Berg/Lewiston and West Branch will compete against each other on that same day at 1:00 p.m. with the final game of the tournament at 1:00 p.m. Sunday, July 26. The final winner will advance to the Alpena District Tournament on Friday, July 31 at 6:00 p.m.

The boys that were chosen for the team will have their work cut out for them, as the coaching staff believes in team discipline and spirit. The boys will participate in physical conditioning exercises designed in preparing them for All-Star baseball, and will also receive advanced instruction on the different aspects of the game (pitching, catching, fielding, batting). This instruction is designed to reinforce what they have already been taught by their own team coaches.

The All-Star coaching staff believes that this well-balanced team has an excellent chance in going a long way thru the tournament games, and they urge everyone to "come on out to the Ball-Park" and support "our

Bits O'Talk

By Fay Bovee

Guests of Mike and Sandy Fleming last week were her aunt and uncle, Mr. and Mrs. Henry Nilsen of Chicago, Sandy's mother, Mrs. Gerd Kelly of Saginaw and a sister, Linda McLeod and two children of Saginaw.

Mr. and Mrs. Bill Weideman and Mike of Midland, and Mr. and Mrs. Arthur Wakeley and Katie of Westland were Grayling visitors over the holiday weekend.

Mike Brady of Jakarta, Indonesia is here visiting his mother, Mrs. Sadie Brady, and his brothers and sisters.

Out-of-town guests who came for the Church-Hendrickson wedding the weekend of June 27 were Brian and Carleen Dane and children of Coopersville, Frank and Karen Cook and family of Lansing, Gerrie Lowrie and Gar Martin of Lansing, Mr. and Mrs. Andre Barrato of Washington, D.C., Mr. and Mrs. Robert Eagly and two children of Indiana, Steve Church of the Los Angeles area, Gary Church with the Coast Guard in Port Huron, Mr. and Mrs. Floyd A. Church of Falls Church, Virginia, John Church of Lapeer, Mrs. Naomi Church of San Diego, Carter Church of Livonia, Charles and Erdine Corwin of Oscoda, Mr. and Mrs. Robert Cys of Chicago, Mr. and Mrs. Tim Corwin and family of Traverse City, Mr. and Mrs. Dick Corwin of Mattawan, Mr. Steve Church of Petoskey, and Mr. and Mrs. Warren Vallad of

Erik Dane of Grand Rapids remained with his grandmother, Mrs. Ernestine Church, last week and she and her mother, Mrs. Beulah Stephan, took him back to Grand Rapids over the Fourth.

Kalkaska.

Sunday, June 28, the Jim Kolkas hosted a dinner for about fifty family and friends who were in Grayling to attend the Kolka-Ayers wedding on Saturday.

Chris and Wendy Weiss Weaver are home for about a month from Anchorage, Alaska, to visit their family and friends.

Strolling **Around Town**

By Fay Bovee

Flowers, flowers, everywhere and so many yards mowed and cleaned up! I think most everyone is getting into the spirit of "Pride in Grayling." The business loop is to be finished this week and then the job of putting things back in order with some exciting plans for the city park from the Beautification Committee. In the meantime local people are growing. flowers and gardens everywhere. The Art Thayers on Plum had some special iris' two weeks ago and their garden is looking great. The apartment house on Peninsular next to the parking lot is sparkling with a fresh coat of paint and flowers along the walk. Lillian Houghton on Peninsular has petunias in her yard and all the way up Peninsular, the yards and homes are kept up, it's a nice shady street with lovely old homes - maybe a good soul would mow the one empty lot that I saw on the street. A peek at the Gould home on the river reveals a lot of plants and shrubs and a new greenhouse under construction. One of my spies out M-72 spotted flowers at a new business, H & R, I believe, and also Mrs. Lois LaGrow fixing up her mailbox with flowers. The Methodist Church has their planter filled which Tom Robertson had filled for so many years. The Southend Total has been hard at work mowing and we saw some others with grass trimmers on the other side of the loop, every little bit helps. We saw a planter at the Gothro home on Maple and flowers in Bill Morford's front yard on Lake. There is still remodeling and cleaning up going on at the former Owens home on Maple and on Michigan Avenue, Mrs. Milnes,

the Schraders and Sabins all

have well-kept homes and some

flowers in various places. Call

me 8-7017 if you see some im-

provements to mention. How-

ever, let's get those garage

signs off the poles as soon as the

sales are over.

B.P.W. Art **Auction July 18**

Salvadore Dali and Norman Rockwell are among the artists who will be represented at an Art Auction on July 18 at the Grayling Holiday Inn.

The Art Auction, sponsored Business and Professional Women, will be presented by Oxford Art Galleries of Detroit. Proceeds will benefit the Crawford County Community Services Christmas Project.

The auction, which begins with a preview at 7:00 p.m., and auction at 8:00 p.m., will contain lithographs, oils, sculpture, enamels, woodcuts graphics. Other artists represented include Calder, Chagall, Alvar, Renoir, Max, Nelman, Vickers, Vasarely, Miro, Amen, Altman, Good, Misha, King and Boulanger.

Works ranging from \$5.00 to \$2,000 will be offered, with many in the \$20 to \$85 price range. All will be auctioned at below retail value.

Editor's Mailbox

To the person or persons who

to buy you one of your own.

All offerings will be matted "borrowed" our planter & hanger off our front porch - we and framed, and ready for home or office display. hope you enjoy it as much as we

A donation of \$1.00 will entitle all attending the auction to a If we had known you liked it door prize provided by Oxford so much and could not afford one, we would have been happy Galleries.

Tickets are available from Sally & Ed McPherson any BPW member or at the

Engagement

Mary Kristine Youngman and Brian Dennis Hoxie are engaged and planning an August 22nd wedding. The bride-elect is the daughter of Dean and Virginia Youngman of Lakeview.

Parents of the prospective groom are Bill Hoxie of Cedar and Marian Hurlbut of Traverse City. A Ferris State College graduate, the bride-elect is employed as a social service director by Mercy Hospital, Grayling.

The future groom, a Northwestern Michigan College and Kirtland Community College graduate, is employed by the Department of Natural Resources at Paris.

June 25, 1981 George Mason Chapter **Trout Unlimited** P.O. Box 1

Grayling, Mich. 49738 Mr. David Borgeson Fisheries Division 6th Floor, Mason Bldg. P.O. Box 30028 Lansing, Mich. 48909

The directors and members

of the George W. Mason Chap-

Gentlemen:

ter of T.U., due to lack of qualified guidance and available information on results of catch and release regulations, do not agree with the Michigan Coun-

cil regarding their selection of site for implementation of such regulations. We are aware that this management tool has been introduced in many states over the last few years and that it is popular with many trout fishermen. Surely the results of such regulations have been interchanged between the fish divisions of the various states. You must have information on the results, both positive and nega-

tive, of such regulations. Our parent body, the Michigan Council of T.U., has voted to request such regulations and has even stated a selection of stream for the experiment; however, we have concerns that their selection has been made by a small minority of T.U. members who may have done so without the benefit of biological facts and qualified judgements.

Our concerns and questions regarding the selection of a catch and release experiment are the following:

(1) Are the streams in various that have such regulations heavily stocked with trout?

(2) Are such regulations usually successful on headwater or nursery waters, or are they more successful on larger waters where larger fish are more likely to be found?

(3) Indications are that the present restrictions on the flies only water of the Main Stream of the AuSable are better than the former 12 inch, three fish/day rules. Should the same regulations be applied on the South Branch rather than catch and release regulations?

(4) Could you compare the characteristics of the South Branch of the AuSable in the Mason Retreat with catch and release waters of other states?

(5) We are deeply concerned with the high natural mortality in streams with large populations of trout between 6 and 12 inches. Is this a factor in a catch and release stream?

(6) Would catch and release regulations create a problem similar to that caused by the former five year program of the 12 inch limit imposed on the flies only water of the Main Stream of the AuSable?

(7) Is it possible that the desired effects of catch and release regulations might be achieved by such regulations being imposed only in the fall to protect spawning trout?

Although we do not feel qualified to make biological judgements on catch and release waters, we do feel that we are familiar with our local streams and could give reasonable laymen's opinions on them as interested fishermen. With the strong interest in catch and regulations Michigan, we feel that we deserve an opportunity to discuss proposals with you before a final decision is made.

> Sincerely, Robert Woodland, Sec.

District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court last week:

Charles Francis Sancrant, 37, Gaylord pleaded guilty to willful, illegal possession of a deer. He was sentenced to five days in jail, \$158 fine or additional 10 days in jail, and ordered to make \$100 restitution.

Simon Thomas Mojica, 38, Ft. Behning, Ga., pleaded nolo contendere to drunk driving. He was fined \$305 or 14 days in jail. Additionally, his driving priveleges in Michigan were suspended for 90 days - can drive to and from work.

Ronald Louis Hodder, 48, Bay City, pleaded guilty to impaired driving and was fined \$255 or 14 days in jail.

Patrick James Gorman, 27, Gravling, pleaded nolo contendere to impaired driving and was fined \$255 or 14 days in jail. Carl Edward Rose, 22, Pontiac, plead guilty to impaired driving and was fined \$255 or 14

TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY Case No. U-6794

NOTICE OF HEARING ON A PLAN FOR CUSTOMER REFUNDS

On March 3, 1981, Michigan Consolidated Gas Company (Consolidated) filed an application for approval of a plan for customer refunds, which plan is designed to refund approximately \$45.8 million, interest included

based on each customer's historical consumption. Consolidated proposes to refund approximately \$41.4 million plus approximately \$4.4 million in interest associated therewith. Consolidated represents that of the total proposed refund of \$45.8 million, \$26.5 million is associated with pipeline supplier refunds subject to Section 6b, 1939 PA 3, as amended, MCLA 460.6b; \$3.9 million is associated with the 90% refund provision adopted by the Commission in its order of November 6, 1979, in Case No. U-5955; and \$15.4 million is associated with Storage Withdrawal refunds under Consolidated's Rule

to January 31, 1981, to active and inactive customers

Consolidated proposes that the refund amount, net of any applicable interest, for each rate classification,

as follows:	
Rate Schedule No. 1—	\$ 9,700,000
Rate Schedule No. 2—	16,400,000
Rate Schedule No. 2A –	1,300,000
Rate Schedule No. 6	9,500,000
Rate Schedule No. 7—	3,000,000
Rate Schedule No. 8—	
Rate Schedule No. 10—	1,100,000
Other Gas Utilities (PGA related	400,000
Total	\$41,400,000

Consolidated states that proposed refund factors for distribution of the refunds to Rate 6 and Rate 7 customers are based on the sales to those customers during the period April 1979 through December 1980, and refund factors for distribution of the refunds to residential and all other rate schedule customers are based on the sales to said customers during the period November 1979 through December 1980.

Consolidated proposes that, in the case of active customers, the calculated refunds be credited to the customers' bills and, for inactive customers, Consolidated proposes to send a check for the calculated refund amount, less any outstanding unpaid balance, to each customer's last known address; however, refund checks for amounts less than \$1.00 would not be issued in order to avoid the undue cost of issuing and processing such checks. Consolidated proposes that any unrefunded amount, or overrefunded amount, be carried forward to be included in its next refund, with interest accruing on those balances based on the allowed overall rate of return established in Consolidated's last rate case (Case No. U-6372).

By memo dated April 28, 1981, the Commission Staff requested that this matter be expanded to include changes to Consolidated's PGA Clause, Rule 30, Parts D, E and F, to incorporate into Consolidated's tariff precise PGA performance report requirements and Standardized Refund Procedures including Minimum Criteria for Refunding and Refund Procedures which it was ordered in Case No. U-6583 to propose for all jurisdictional gas utilities.

Jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24,201 et seq.; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code,

1968 Annual Supplement, R 460.11 et seq. NOTICE IS HEREBY GIVEN that:

A. Public hearings will commence at 9:30 a.m. on July 21, 1981, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, for the purpose of determining if Consolidated's refund proposal should be approved and for determining the reasonableness of the Commission Staff's proposed changes to the PGA Clause. If necessary, the hearings will continue thereafter from day to day or on such adjourned dates as the presiding officer may set until the matter has been fully heard. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before July 16, 1981, an original and 12 copies of a petition to intervene, together with proof of service upon Applicant.

Subparagraph (2) of said Rule 11 provides as follows: "(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

C. Michigan Consolidated Gas Company shall, on or before July 14, 1981, file with this Commission the prepared testimony and exhibits of its witnesses in support of its proposed refund plan.

various charitable, religious, the Diocese which comprises the parishes and mission churches in the 21 county area of northern lower Michigan.

The contributions so far are 8% higher than in last year's Campaign, and 81 of the 84 parishes and missions are over targeted goal. Solicitation of gifts is continuing in the parishes for the next several weeks.

Pressure Canner Available On Loan

The Cooperative Extension

munity Services. Canners will be loaned for a period of three days, Priority will be given to families who are unable to purchase their own canner, and to families who want to try canning before investing in their own equipment. They will also be available to families who experience pressure canner failure and need an emergency fill-in.

Edwards noted there is a \$10.00 deposit required upon pick-up of the canner, reimbursed when the canner is returned. "We ask each borrower to agree to a loan contract that provides for forfeiture of the cost of any damages incurred, up to the deposit amount. We also will charge a late fee of fifty cents per day past the three day loan period." Since there is only one canner allocated per county, it is important that families return the canner promptly so that other families can use it.

To reserve a canner, contact the Michigan State University Cooperative Extension Service office in Roscommon, Crawford or Oscoda Counties. Give your mailing address, telephone number, and date you want to pick up the canner.

The Roscommon County office of the Cooperative Extension Service is located in the County Building Annex in Roscommon. Phone 275-5043,

The Crawford County office of the Cooperative Extension Service is located in the Courthouse

in Grayling. Phone 348-5123. The Oscoda County office of the Cooperative Extension Service is located in the Courthouse Annex, in Mio. Phone 826-3280.

City Council Proceedings Regular meeting of the City Council held June 29, 1981.

The meeting was called to order by Mayor Thompson at 7:30 p.m. Members Present: Thompson, Sabin, Golnick, Failing. Members Absent: Latuszek.

Also in Attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Jack M. Patten, Larry L. Akers, Peter Stephan, Gloria Stephan, Don Geiss, Tony Doremire, John Kindra, Nancy Kindra, James Knight, Les Riales, Ron Hees, Archie Richardson, Pete Allen, and Don Sorenson.

Motion by Golnick, supported by Failing that the minutes of the meeting of June 8, 1981 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

There were no Citizens who wished to speak. Communications were received and noted:

From M.M.L. re: National League of Cities. Motion by Golnick, supported by Failing that the City of Grayling remit \$40.00 to support the National League of Cities convention in November 1981. Ayes: 3, Nays: 0, Absent: 1, Abstain: 1, Sabin, motion carried.

From G.R.C. of C. re: Resolution in regard to the Fish Hatchery. Motion by Thompson, supported by Sabin that the Council go on record as supporting the concept of the Fish Hatchery as a tourist attraction. Ayes: 4, Nays: 0, Absent: 1, motion carried.

From G.R.C. of C. re: National Guard Receptions. From City Manager re: Notice of Public Hearing on Re-Zonings to be held on July 13, 1981.

From M.M.L. re: Legislative Bulletins.

From Grayling Housing Comm. re: Minutes.

From David R. Sabin re: Traffic Speed on M-72 West. From Grayling Township re: Office Space.

From John R. Kindra and Nancy Kindra requesting transfer of the liquor license for the Grayling House located at 2532 Grayling Avenue from Richard Burr.

Motion by Failing, supported by Thompson to approve the transfer, Ayes: 4, Nays: 0, Absent: 1, motion carried. From Beautification Committee re: Minutes.

Old Business

City Manager reminded Council that a Public Hearing on the S.S.E.S. Facilities plan will be held on July 13, 1981.

The Mayor declared the Public Hearing on Zoning of the Annexed Area to be open. Mr. Morford detailed the area to be rezoned and pointed it out on a map. He recommended rezoning the area to Industrial. There were no comments from the public regarding the proposal. A question from Mr. Riales regarding continued use of the Seventh Day Adventist Camp road was answered by Mr. Morford. The use would be a legal non-conforming use of industrial property and would be allowed

Motion by Thompson, supported by Golnick that the Public Hearing be closed. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Motion by Thompson, supported by Sabin that the property described as The S¼ of the SW¼ lying East of I-75, the W½ of the SE¼, the SW14 of the NE14, and the South 10 acres of the NW14 of the NE14, all parcels being within Section 17, T26N R3W Grayling Township, Crawford County, Michigan and lying within the City of Grayling be rezoned from current unzoned status to "I" Industrial as defined in the City of Grayling Zoning Ordinance and that such zoning be effective as of June 29, 1981. Ayes: 4, Nays: 0, Absent: 1, motion carried.

The Mayor opened the Public Hearing on Establishment of Industrial Development District No. 1. The City Manager explained the procedure for establishment of an Industrial Development District. The Mayor asked if this action could be rescinded if no applications for Industrial Exemption Certificate are made within a reasonable time. The answer was that it could be rescinded. There were no comments from

Motion by Thompson, supported by Sabin that the Public Hearing be closed. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Moved by Sabin and supported by Councilman Failing. WHEREAS, A & R FOREST PRODUCTS has requested the City Council to establish an Industrial Development District under the provisions of Act 198 of the Public Acts of Michigan of 1974, as amend-

AND WHEREAS, notice of hearing on said request was published

in the Crawford County Avalanche on June 11, 1981; AND WHEREAS, notice of said hearing was sent by certified mail, return receipt requested to A & R Forest Products the operating company and owner of the real estate hereinafter described, all on June

AND WHEREAS, said hearing was held before the Grayling City

Council on Monday, June 29, 1981 at 8:30 p.m. AND WHEREAS, said Act 198 of the Public Acts of Michigan of 1974, as amended, provides that a local government unit, by resolution of its legislative body, may establish an Industrial Development

AND WHEREAS, the City of Grayling qualifies by Levies of ad valorem taxes at a rate which, when taken together with the rates of ad valorem taxes levied by other taxing authority which levies taxes within the City of Grayling, equals or exceeds \$30.00 for each \$1,000.00 of state equalized valuation;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. In accordance with the requirements of Section 4 (4) of Act 198 of the Public Acts of Michigan of 1974, as amended, the City Council of the City of Grayling hereby finds and determines that the property comprising not less than 50% of the state equalized valuation of the industrial property within the district, hereinafter set forth, is obsolete or vacant.

2. In accordance with the provisions of Act 198 of the Public Acts of Michigan of 1974, as amended (Plant Rehabilitation and Industrial Development Districts Act) an Industrial Development District is hereby established which is legally described as follows:

Part of the NW14 of the SE14 of Section 17, T26N, R3W Grayling Township, Crawford County, Mich. commencing at the South 1/4 corner of said Sec. 17, thence N1°44'E (along the N. & S. ¼ line); 1314.10 ft. to the SW corner of the NW1/4 of the SE1/4 of said Sec. 17 for the P.O.B., thence continuing N1°44'E; 1055.27 ft. to the SWly, right-of-way of the P.C. Railroad, thence S45°48'E (along said right-of-way); 1506.32 ft. to the S. 1/8 line, thence S89°44'50"W; 1111.84 ft. to the P.O.B. containing 13.46 acres.

Subject to a 33 ft. Road easement along the Westerly 33 ft. thereof, also subject to a Consumers Power Co. Power line Easement as recorded in Liber 67 Page 569. 3. All resolutions and parts of resolutions insofar as they conflict

with the provisions of this resolution be and the same are hereby rescinded.

Ayes: Councilmen Thompson, Failing, Golnick, Sabin.

Nays: Councilmen None. Absent: Councilmen Latuszek.

Resolution Declared Adopted.

The City Manager reported that bids on the 1981 street program will be opened on Wednesday, July 8, 1981 at 2:00 p.m. with recommendations to Council set for July 13, 1981. New Business.

The City Manager presented a proposed agreement between the City of Grayling and Grayling Township for operation of Elmwood Cemetery on a 50/50 basis. Council considered the proposed agreement. Motion by Sabin, supported by Golnick that item 5 of the agreement be amended to read "All funds paid into the prepetual care fund after July 1, 1981 shall remain in the said fund and shall not be return-

Mr. Morford read a memo from Treasurer Schreiner reference a meeting concerning cemetery rates.

ed to either party to this agreement in the event of later cancellation of

said agreement. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Motion by Golnick, supported by Sabin that the following rate schedule be adopted as of July 1, 1981.

New Cemetery rates for opening/closing and sale of Grave sites.

1. Use of storage facility for build not in Elmwood Cemetery \$25.00

2. Opening and Closing \$160.00 3. Saturday Opening and Closing \$200.00

4. Sale of Grave site

a. City of Grayling & Grayling Township resident or Taxpayer

b. All other sales \$400.00

Ayes: 4, Nays: 0, Absent: 1, motion carried. Mr. Morford presented a proposed agreement between the City and Crawford County for property assessing. The agreement calls for an expenditure of \$13,000.00 commencing with the payment due in July 1982. He recommended approval of the agreement.

Motion by Sabin, supported by Golnick that the proposed agreement be approved as presented. (See attached copy) Ayes: 4, Nays: 0, Absent: 1, motion carried. Reports of Councilmen.

Mr. Sabin asked about a blinking street light. He was advised that

it is caused by a very sensitive electric-eye. Mr. Golnick asked about salt brining streets before July 4. Mr. Sorenson replied that he was supposed to have made contact with the

company today and will do so tomorrow. Reports of City Manager. Mr. Morford reported on the following:

Funding difficulties with NEMEDA. City Employee Holiday July 3, 1981.

Street Construction bid opening July 8, 1981.

Grayling Recreation Authority. Michigan State Fair exhibit.

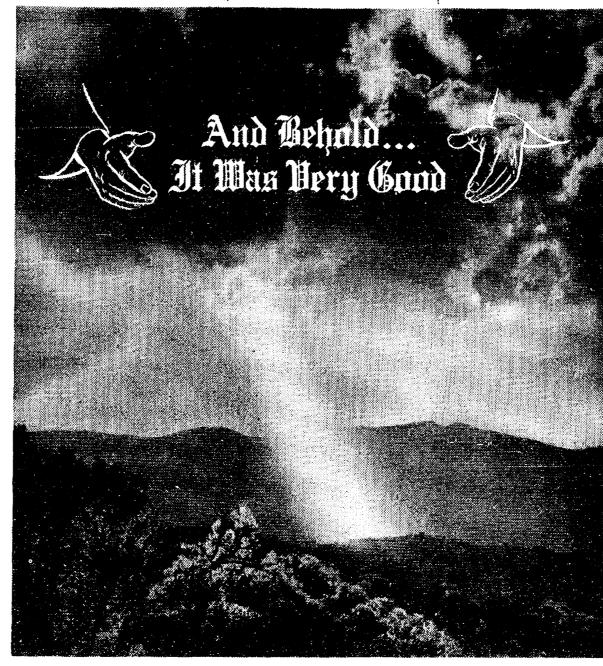

Request by Library Board to enlarge their parking area.

County Commissioner apportionment process. Council advocated a County Board of no more than 5 Commissioners with 1 representing the City. Adjournment.

Motion by Sabin, supported by Golnick that the meeting be adjourned. Ayes: 4, Nays: 0, Absent: 1, motion carried. The meeting was adjourned at 9:05 p.m.

Jerry W. Morford City Manager & City Clerk

Attend the Church of Your Choice

Not long ago I was driving home along the parkway, depressed and worried by many problems. The day was bleak and gloomy. Huge clouds boiled and churned above dark, forbidding mountains. Even the foliage hung limp and still.

Suddenly the clouds parted and a ray of sun streaked through. In that fleeting moment the landscape became beautiful . . . grayness transformed into mauves, deep blues and lively greens. It

was like watching Creation. For the first time in a long time, I thought of God. And I prayed as I had been taught long ago.

That was a turning point. Since then God and worship have once more become a part of my life and my problems have disappeared in a way I never dreamed possible.

God's goodness is always present. Go to your place of worship and learn the truths that can transform your life.

(Continued From Page 1)

(with .5 mills to be taken from the 3.4 mills to retire the deficit) The difference in dollars from the millage of 5.7 will be taken on a value basis from the individual rating form, from the least important

items to the most important. Maintain curriculum at all costs.

Group 5 - Suggested two packages for consideration. One a 3.5 mills vote estimated to save \$441,000. This included implementing elimination of items 13, 16, 18, 19, 22, 30, 31, 32 and 33 of the proposed

The 4.5 mill proposal would save an estimated \$561,956 and called for cutting items 1, 2, 20, 27, 28.

Also, look into more cuts in original budget. Also in the second poll which was taken at group meetings.

Group 6 - Approximate 5.2 mill increase, delete everything below 21 (from proposed cut list), or, approximate 4.1 mills, whatever is weighted 32 and above.

We felt very strongly that we should not ask again for 5.7. We felt we needed two proposals to give a choice if we were to get anything passed. We felt 5.2 millage vote or around 3.5-4.2 as needed items rated 32 and above would stay. The actual miliage would have to be determined by the actual cost of items we agreed to keep installed. We feel strong for high school curriculum and high school sports. The White House is an issue. (Submitted by Tom Trenary).

Group 7 - 1) Curriculum/Extracurricular. Conserve curriculum (necessaries) at all cost. 2) Millage 3.0-3.2 mills (forum consensus supports 3.8 mills.) 3) Biased sample - community will probably not support as high millage as forum.

Group 8 - 1) Go for two mills to cover the 4's and 5's 2) Go for 120 days mortatorium to give administration and people a little more time 3) Would like to see all the 3's that are student related added to 4's and 5's as an alternative, or all the 3's going together. (Submitted by Nene

Group 9 - 1) Discussed millage in range 2.086-4.06 mills. Choose 2.76 based on items rated 42 and up. (one issue) 2) Some other items may be more important than, say, counseling. 3) Other priorities should come prior to sports. 4) Total citizen's group still needs to give a concrete millage figure to board.

Group 10 - 1) 5.7 mills again. 2) Investigate other areas to cut besides suggested list.

Group 11 - 1) We want's vote of 3.6 millage. 2) We want to keep curriculum at uppermost importance. 3) Make special effort to get a broader representation of members of the community involved in these processes. 4) We want to keep all things which were rated 34 and higher.

Group 12 - Multiple millage, 4.5 mills or 5.7 mills. 2) Maintain curriculum first.

** According to School Supt. Dr. Bill Diedrich, it is not possible to offer millage alternatives on the ballot exactly as some of the groups have recommended. Diedrich said while it is possible to have more than one proposal on

the ballot, they would need to be worked differently than suggested by the groups. Following is the list of cuts proposed by administrators, showing

the cost savings and value of the program as determined by citizens participating in the two meetings June 25 and June 29. (The total was determined by adding up the value each of 12 groups assigned to each program, using the following criteria: 5 - Heaviest impact on our schools-should be avoided at all costs.

4 - Heavy impact on our schools-should be avoided if at all possible.

3 - Medium impact on our schools-would hurt the program but should be considered.

2 - Modest impact on our schools, could get by with this reduction. 1 - A cost reducer-should be done without further consideration. CITIZEN RATING OF IMPORTANCE TO OUR SCHOOLS:

11	Community subsidy of sports48
12	Building Trade students doing maintenance work 48
13	Teachers covering for instructional aides
14	Cut 50% of Audio-Visual aide24

which upon investigation by school administrators, proved to be illegal. These included: 1) freezing salaries of all employees in the district, and, 2) elimination of driver education. An explanation of the legalities surrounding these suggestions can be obtained by contacting school officials.

Additionally, it was suggested by several citizens that prior agreements were in effect which would prohibit closing of the Frederic School. While final word has not yet been received, the State Dept. of Education and the law firm of Thrun, Maatsch and Nordberg, which handled the June 20, 1966 election, have been asked by school administrators to search their records for any such agreement.

The Public Hearing on July 9 is scheduled for 7:30 p.m. in the high school auditorium and on July 13th at 7:00 p.m. at the same location. The regular Board of Education meeting will begin at 7:30 p.m. in the high school library on July 13th. It is at this meeting that the Board of Education will make its decision.
